To the Members of Trinity Lutheran Church,
the Sponsors of the Students Adoption &
the Supporters of the Good Shepherd:

Dear Sponsors and Supporters,

Hearty greetings in the name of the incarnate Son of God, who came down to set us free from all sins and iniquities.

I am so delighted to write you this at the end of this year in order to thank you so much for all the blessings you have shared with us through the past years and also for the blessings you will continue to share with us through the years ahead.

In the name of all the students, in the name of the members of the different congregations that I am serving, in the name of the members of my family and in my own name, I want to say a big "THANK YOU" to you for your continuing supports relating to the students adoption, to the ministry of the Good Shepherd and to my family.

I am confident that via **God's grace** the "**Students adoption program**" will continue through many years ahead so that our children/students become socially mature in order to face the social living condition, which is a real contrast down here. As we all know, there is no hope of change for a nation where education is not one of the top priorities for the rulers. We cannot do much for a population of eight millions people but at least those young girls and boys attending our church and school have access to the basis of education (high school). All this happens because of your support and donation.

One of our future plans for them is to **have a computer class** the coming year. We want to make sure that by finishing with high school they have at least some kind of professional ability, which will be a good backup for them, as they will be looking for some little jobs.

Again, thank you so much! And I put my voice together with theirs to say a very big: "MERRY CHRISTMAS & HAPPY NEW YEAR" to you all!

Pastor Thomas Bernard
